EDUCATION

Gannon University, Erie, PA

August 2023 – May 2027

Bachelor of Science in Industrial and Robotics Engineering

Relevant Coursework: Engineering Graphics, Statistics, Strength of Materials, Materials Process, Design of Experiments

GPA: 3.918

WORK EXPERIENCE

Impact Monitor 2 (EU-funded Aviation Research Program)

May 2026–July 2026

- Performed flight trajectory simulations in DYNAMO to assess experimental aircraft performance and feasibility.
- Collaborated cross-functionally on aviation impact assessments in an international environment.

ACADEMIC PROJECTS

NASA Airfoil Self-Noise Analysis, Design of Experiments

November 2025–December 2025

- Analyzing aerodynamic factors affecting airfoil noise using NASA NACA 0012 wind-tunnel data with regression and ANOVA in Minitab.

Ergonomic Risk Assessment of Lifting Tasks, Ergonomics

November 2025–December 2025

- Quantified lumbar spine loads and injury risks in lifting tasks using NIOSH metrics and MATLAB regression modeling.

Weather Prediction Program, Engineering Stats

January 2025–February 2025

- Developed a Python-based forecasting program using historical hourly weather data and machine learning.

Vehicle Design, Engineering Graphics

August 2023–December 2023

- Designed a simple motorized vehicle in Creo Parametric with assembly drawings and 3D-printed prototypes.

Roller Coaster Physics Analysis, Research Project

October 2021–October 2022

- Modeled and analyzed roller coaster motion, forces and acceleration data using theoretical frameworks and accelerometer-based experimental data.

Restaurant Website Development, BTEC

September 2021–June 2022

- Designed and developed a fully functional restaurant website on Wix, creating visual assets and layouts with Canva to ensure accessibility and mobile compatibility.

CERTIFICATIONS

Oracle Playbook for Supply Chain Excellence: Training & Assessment

September 2026

Anthropic: AI Fluency: Framework & Foundations

January 2026

BM SkillsBuild: Getting Started with Artificial Intelligence

January 2026

BM SkillsBuild: AI Literacy

January 2026

DelftX: Introduction to Aeronautical Engineering

July 2025

Lean Six Sigma Green Belt

December 2025

BTEC International Level 3 Information Technology

May 2023

SKILLS

Engineering & Analysis:

Design of Experiments • Operations Research • Statistical Modeling • Data Visualization • 3D Modeling • CAD Drafting

Software & Programming:

Python • MATLAB • Minitab • Git/GitHub • Creo Parametric • MS Office (Excel, PowerPoint) • Unity • Blender • Canva • Wix • FlexSim

Soft Skills:

Analytical Thinking • Project Management • Technical Writing • Cross-Functional Team Collaboration • Adaptability •

Multilingual: English, Spanish, Catalan, French

ATHLETIC EXPERIENCE

Gannon University's Women's Golf Team, Division II Athlete

August 2023 – December 2023

- Balanced 20+ hours of training, practice and games with full academic course load.

CAMPUS ENGAGEMENT

Member, International Hispanic and American Association

September 2024

Member, Society of Women Engineers

August 2023
